

# SMART MEETING PRODUCTS

# Covid Era

2020 -2021

Companies shut  
down their office  
operations

WFH became  
a norm

Soft VC platforms like MS  
Teams / Zoom / Google  
Meet etc. became a norm

Soft VC hardware started  
being accepted and inducted  
in company meeting rooms

# Hybrid Working Era

2022 onwards

Hybrid working  
is an accepted  
way of life at all  
companies

All Soft  
VC devices  
are using USB  
protocol

USB cables are not  
laid in the previous  
renovation of meeting  
rooms where only HDMI  
cables were provided

Yet another  
challenge  
for company IT  
teams and S.I.s!!

# Want to install room VC solution

but unable to lay USB cable without

**TIME  
CONSUMING**

&

**COSTLY  
RENOVATION**

# Philips Wireless VC Solution
